

SINCE 1908

**LEVC**

SUSTAINABLE INNOVATION

**TX**

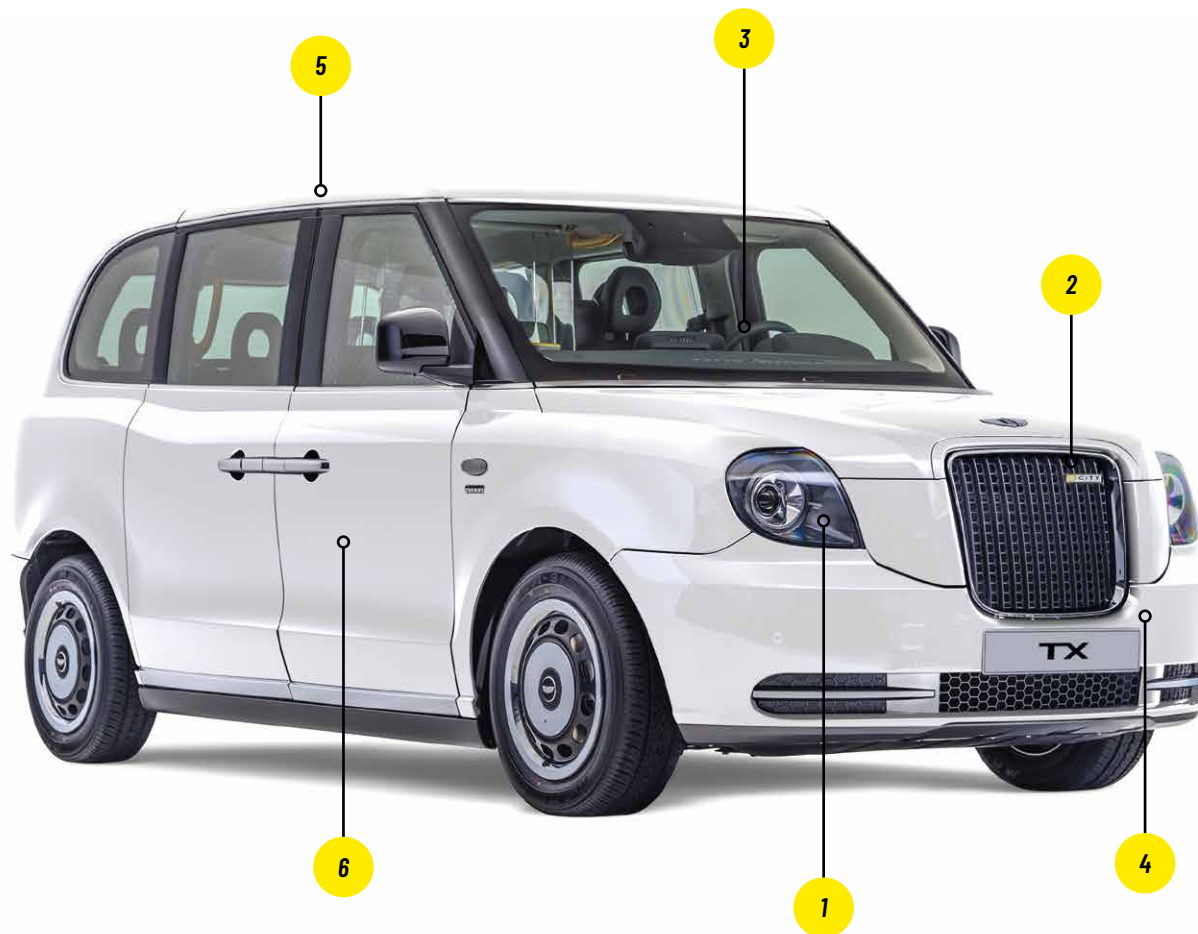

*PRICE AND SPECIFICATION*

## TX - AT A GLANCE.

Built for purpose. Designed to deliver.

- 1
**Iconic styling.** Distinctive circular headlights, coach-doors, a bold front grille, and an instantly recognisable roofline.
- 2
**eCity Technology.** Range-extended electric, zero-emissions capable technology reduces running costs and gives unrivalled range flexibility.
- 3
**Driver comfort.** Your mobile office, ergonomically and thoughtfully crafted for long hours at the wheel.
- 4
**Technology.** From cruise control to parking sensors, the latest equipment and driver aids are designed to make your life easier.
- 5
**Passenger experience.** Seating for up to six people, a panoramic glass roof, charging ports and fast on-board Wi-Fi (optional).
- 6
**Safety.** A strong body structure, a full complement of passive safety systems and cutting-edge active driver assistance provides peace of mind.

Fuel consumption and CO <sub>2</sub> emissions	
Efficiency band	A+
	WLTP <sup>1</sup>
Energy consumption (weighted <sup>1</sup> , combined) with full battery	0.9 l/100 km and 23.4 kWh/100 km
Official CO <sub>2</sub> emissions (weighted <sup>1</sup> , combined)	19 g/km
Electric range (with full battery)	101 km

<sup>1</sup> Weighted values are mean values for fuel and electricity consumption of externally chargeable hybrid electric vehicles with an average usage profile and daily charging of the battery. The values were determined according to the more realistic test procedure WLTP (Worldwide harmonised Light vehicles Test Procedure), which replaces the test procedure with reference to the NEDC (New European Driving Cycle). All stated values are not part of the offer and may vary depending on driving style, loading, equipment, selected options and tyres.

Vehicle complies with the latest European Union emission regulations (Euro 6D).

## EXTERIOR COLOURS.

Stand out from the ranks.

With a choice of unique colours, the TX offers a wider range of paint options than ever before, including metallic and pearlescent finishes.

<p><b>Raven Black<sup>2</sup></b> Non-Metallic</p> <p>P33</p>	<p><b>Bristol Blue<sup>2</sup></b> Non-Metallic</p> <p>P35</p>	<p><b>Taxi Beige<sup>2</sup></b> Non-Metallic</p> <p>P22</p>	<p><b>Alpine White</b> Non-Metallic <b>279.65 € (incl. VAT)</b> 235.00 € (excl. VAT)</p> <p>P34</p>	<p><b>Sunburst Yellow</b> Non-Metallic <b>279.65 € (incl. VAT)</b> 235.00 € (excl. VAT)</p> <p>P17</p>
<p><b>Sherwood Green</b> Non-Metallic <b>279.65 € (incl. VAT)</b> 235.00 € (excl. VAT)</p> <p>P14</p>	<p><b>Storm Grey</b> Metallic <b>565.25 € (incl. VAT)</b> 475.00 € (excl. VAT)</p> <p>P11</p>	<p><b>Lunar Silver</b> Metallic <b>565.25 € (incl. VAT)</b> 475.00 € (excl. VAT)</p> <p>P55</p>	<p><b>Ocean Blue</b> Metallic <b>565.25 € (incl. VAT)</b> 475.00 € (excl. VAT)</p> <p>P49</p>	<p><b>Charcoal Grey</b> Metallic <b>565.25 € (incl. VAT)</b> 475.00 € (excl. VAT)</p> <p>P7</p>
<p><b>Nightsky Blue</b> Pearlescent paint <b>678.30 € (incl. VAT)</b> 570.00 € (excl. VAT)</p> <p>P54</p>	<p><b>Tupelo Red</b> Pearlescent paint <b>678.30 € (incl. VAT)</b> 570.00 € (excl. VAT)</p> <p>P56</p>	<p><b>Starlight Black</b> Pearlescent paint <b>661.20 € (incl. VAT)</b> 570.00 € (excl. VAT)</p> <p>P53</p>	<p><i>Icon trim level body colours include black painted lower exterior trim, grille surround, door handles and wheel hub covers.</i></p> <p><i>With the exception of the classic Raven Black body colour, the TX incorporates gloss black door mirrors and black painted pillars to create a contemporary 'floating roof' styling effect.</i></p>	

<sup>2</sup>Selection of this colour with no extra costs.

Please note that the colours shown are just an indication of the final paint colour and are not an exact representation due to the limitations of the printing process. All prices are recommended retail prices from London EV Company Ltd. Please ask your LEVC dealer for individual dealer prices. The choice of colour may incur additional costs, which should be consulted with your LEVC dealer.

## OPTION PACKS.

Make more of your TX.

The TX is the most well-equipped taxi we've ever built.

The VISTA specification blends total comfort for both driver and passenger with innovative technology and user-friendly features.

We've made some of our most popular equipment available in a range of option packs, designed to save you money and further enhance your driving and ownership experience.

Feature Code	ICON			VISTA		
	Price (excl. VAT)	Value added tax (19 % VAT)	Price (incl. VAT)	Price (excl. VAT)	Value added tax (19 % VAT)	Price (incl. VAT)

# EQUIPMENT SPECIFICATION.

## Built for purpose. Up to spec.

The TX is already the most well-equipped taxi we've ever made and with the addition of the “Comfort” and “Comfort Plus” option packs you can enhance the levels of comfort and convenience even further.

● Standard    ○ Optional    **Incl.** Pack offer (no extra charge)    – Not available

EXTERIOR	ICON	VISTA
<b>Exterior style</b>		
Chrome window surround	●	●
Chrome grille surround and lower exterior trim	○	●
Chrome door handles	○	●
Gloss black door mirrors	●	●
<b>Wheels and tyres</b>		
Gloss black steel wheels with black painted centre caps	●	–
Gloss black steel wheels with chrome centre caps and chrome embellishers	○	●
Maxxis summer tyres 215/65/R17 103H	●	●
Emergency Puncture Repair Kit	●	–
Full-size spare wheel	○	<b>Incl.</b>
<b>Visibility</b>		
Automatic windscreen wipers	●	●
Heated and electric door mirrors	●	●
Heated rear window (with timed cut-off)	●	●
Heated windscreen (with timed cut-off)	○	○
Electric windows front and rear (anti-trap and front one-touch)	●	●
Rear window wiper	○	○
Electrochromatic auto-dimming rear view mirror	○	○
Dark tinted rear window privacy glass	○	○
<b>Exterior lighting</b>		
Flat front roof panel (no taxi sign)	●	●
Illuminated taxi sign – front	○	○
Self-levelling automatic LED headlights	●	●
Main beam assist – automatically dipping headlights	●	●
LED daytime running lights	●	●

INTERIOR	ICON	VISTA

12V accessory battery (H8 AGM 95Ah 850 CCA)	●	●
<b>Charging</b>		
Plug-in charging socket Type 2/CCS	●	●
Additional rapid charging socket (CHAdeMO plug type)	○	○
Type 2 Mode 3 Fast Charging Cable (32A 5m)	○	Incl.
50 kW DC rapid charging capability	●	●
11 kW AC fast charging capability	●	●
Upgraded 22 kW AC fast charging capability	○	○
<b>Fuel system</b>		
38.5L fuel tank (36L usable)	●	●

SAFETY AND SECURITY	ICON	VISTA
<b>Safety and security</b>		
Driver's steering wheel airbag	●	●
Side airbags	●	●
Driver curtain airbag	○	●
Rear passenger curtain airbag	○	●
2 x ISOFIX child seat points	●	●
3 point driver and passenger seatbelts	●	●
Row 3 occupant seatbelt reminder	●	●
Alarm system	●	●
Remote central locking	●	●
Keyless start	●	●
Driver's selectable auto-locking	●	●
Speed assistance system	●	●
Road sign information system	●	●
Lane departure warning	●	●
Forward collision warning	●	●
Autonomous Emergency Braking with Vulnerable Road User Detection	●	●
Driver protection screen	●	●
Tyre pressure monitoring system	●	●
AVAS (Acoustic Vehicle Alert System)	●	●

## HIGHLIGHTED FEATURES.

Explore the TX in detail.

### Air pollution sensor.

TX not only filters the air you breathe to prevent contaminants from entering the cabin, it monitors the quality of the air flowing through the interior vents and automatically closes the intake if high levels of pollution are detected, protecting you and your passengers from any harmful effects.

### Panoramic roof.

The roof panel incorporates layers of thick, reinforced glass with a tinted security film between them. The film blocks 95 % of emitted light energy from entering the cabin, creating a secure and pleasant environment for passengers to enjoy dramatic views of the skyline.

### Electrical accessory interface.

The new TX is designed to meet the needs of modern passengers; the interface allows numerous aftermarket devices to be installed without damaging the existing wiring harnesses. Quick, easy and safe.

### Swivel seat.

The outer flip seat in the passenger compartment can be rotated into a fixed position outside the passenger compartment when the door is open. When used in conjunction with the wheelchair ramp, even passengers with severe mobility challenges are able to enter the vehicle without unnecessary hassle for them or for the driver.

### Wi-Fi capability.

A dedicated USB socket, located in the driver compartment for optimum signal, allows the driver to install a Wi-Fi dongle so that passengers can connect to the Wi-Fi.

### Extended version of the rear air conditioning system.

This extension of the air conditioning system optimises cooling of the passenger compartment in the event of very high outside temperatures. Additional cool air automatically circulates as required through vents on both sides of the row three seats to reach the desired temperature.

*(Optional: recommended for regions where the outdoor temperature exceeds 40 °C. Note: If this additional equipment is installed in connection with the USB equipment for passengers, the USB ports will be positioned differently.)*

## PRICES.

Value as standard.

	ICON	VISTA
Price (excl. VAT)	62.795,00 €	64.745,00 €
Value added tax (19 % VAT)	11.931,05 €	12.301,55 €
<b>Price (incl. VAT)</b>	<b>74.726,05 €</b>	<b>77.046,55 €</b>

All prices are recommended retail prices from London EV Company Ltd. Please ask your LEVC dealer for individual dealer prices.

## OWNERSHIP.

Avoid downtime.

### Servicing.

Long service intervals of 40,000 km or twelve months mean less downtime for you. Our highly trained technicians are equipped with the latest systems and tools to keep your TX performing at its best.

## INDIVIDUAL OPTIONS.

### Your very own TX.

Whatever you need to turn the TX into your own custom vehicle: from a heated windscreen (with timed cut-off) perfect for cold days, to integrated satellite navigation with traffic updates, there are a wide range of individual equipment elements available on request as extra.

### Dealer fitted accessories.

Enhance your driving and ownership experience with dealer-fitted accessories that are truly tailored to your needs. A range of accessories are custom made for the TX and are available from your LEVC dealer upon request.

## WARRANTY.

### First-class protection.

The new TX has been developed and rigorously tested to meet the high demands of a purpose-built taxi. The drive battery is protected by a unrivalled five-year unlimited mileage warranty. In addition, every TX is covered by a comprehensive vehicle warranty for three years or 190,000 kilometres\*.

All non-wearing components, from motors to ball joints to bushes, are covered against manufacturing defects for the full duration of the warranty - that means no unforeseen repair costs and a hassle-free driving experience.

Warranty	Vehicle	Drive Battery	Drivetrain (excl. Drive Battery)
Standard	3 years/190,000 kilometres	5 years/ Unlimited distance	3 years/190,000 kilometres

\*The guaranty is for 3 years or 190.000 km, whichever is sooner.

For further warranty information please contact your LEVC dealer.

## Range and emissions.

**Class-leading efficiency.**

The way fuel economy, emissions and range is calculated are changing.

A new standard for measuring emissions, energy consumption and range has been introduced for all vehicle manufacturers. The WLTP test (Worldwide Harmonised Light Vehicle Test Procedure) replaces the NEDC (New European Driving Cycle), which has been in use since 1992. The new standard was introduced to calculate figures that are more representative of real-world driving conditions. The two sets of figures are just derived from two different measuring methods used to assess the economy and emissions of the same vehicle.

The new procedure changes the way lab tests are carried out and reflects the improved capabilities of modern test facilities. Furthermore, a real-world testing element was introduced for the first time, which uses portable equipment to measure actual emissions directly from the tail pipe. If you would like to learn more about the new WLTP test, please visit [www.wltpfacts.eu](http://www.wltpfacts.eu).

Will I be able to achieve the new economy figures?

The test is designed to provide official figures that come closer to what drivers can achieve in real-world driving conditions. However, the main purpose is still to ensure comparisons between different vehicle models can be carried out. Fuel and electricity consumption varies in the real world due to the large number of variables involved, such as weather, traffic, equipment used, number of passengers on board, in addition to driver behaviour. To learn more about how to maximize your fuel savings, watch our video guide at [www.levc.com/driving-tips](http://www.levc.com/driving-tips)\*

# TECHNICAL SPECIFICATIONS.

## Overview.

SERVICING	
Service interval	40,000 km or 12 months
MOTOR AND BATTERY	
Driven wheels	Rear
Peak power	110 kW/150 PS
Peak torque	250 Nm
Max. rpm	11,500
Battery type	3-phase lithium-ion 345 V
Gross storage capacity	90 Ah/31 kW
Useable energy	24.2 kWh
On-board charging (AC/DC)	11 kW AC (22 kW optional)/50 kW DC
Charging time at 50 kW DC (0-80 %)	25 minutes
RANGE EXTENDER	
Electrical output	60 kW
Fuel type	Petrol
Configuration	Inline 3 DOHC 12-valve
Induction	Direct injection, turbo-charged
Cubic capacity	1,477 cm <sup>3</sup>
Power	67 kW/91 PS
Peak Torque	160 Nm
Fuel tank capacity (usable)	38.5 l (36 l)
PERFORMANCE	
0-100 km/h	13.2 seconds
Maximum speed	128 km/h
ECONOMY AND EMISSIONS	
Efficiency band	A+
	<b>WLTP<sup>1</sup></b>
Energy consumption (weighted <sup>1</sup> , combined) with full battery	0.9 l/100 km and 23.4 kWh/100 km
Official CO <sub>2</sub> emissions (weighted <sup>1</sup> , combined)	19 g/km
Electric range (with full battery)	101 km <sup>1</sup>
Pure electric range city (kilometres)	126 <sup>1</sup>
Total range (kilometres)	510
Range-extender fuel consumption (combined consumption)	8.8 l/100 km
BRAKES	
Braking system	Front and rear floating calliper/ventilated discs
Braking aids	ABS, Electronic Stability Control (ESC) and Emergency Brake Assist

Vehicle complies with the latest European Union emission regulations (Euro 6D).

WHEEL	
Size	17 x 7J
Tyre size	215/65/R17 103 H
Rolling resistance	7,89 N/kN
Tyre noise emissions	70 dB
STEERING	
Power steering type	Electrohydraulic
Steering ratio	15.2:1
Turning circle (wall-to-wall)	8,45 m
DIMENSIONS (MM)	
Refer to diagrams overleaf.	
ACCESS	
Nearside door opening:	
Max. width/min. width	857/842 mm
Height	1,319 mm
Sill height	370 mm
Height of folding step	177 mm
Depth of folding step	252 mm
Ramp length/extension	1,280/1,061 mm
Ramp angle approx. (floor)	15 degrees
Ramp angle approx. (kerb)	11 degrees
Ramp width (between rails)	714 mm
Ramp safe working load	250 kg
Step safe working load	150 kg
WEIGHT (KG)	
Mass in running order <sup>2</sup>	2.219 – 2.305 (Icon 2.249/Vista 2.305)
Max. net payload <sup>3</sup>	550 – 625 (595 Icon/550 Vista)
Max. Gross Vehicle Weight <sup>4</sup>	2,900
SUSPENSION TYPE	
Front suspension	Dual-axis MacPherson strut/anti-roll bar
Rear suspension	Double-insulated, five-link with transverse composite leaf spring
LUGGAGE SPACE	
Luggage capacity	440 l
WARRANTY	
See overview on page 11	

<sup>1</sup> Weighted values are mean values for fuel and electricity consumption of externally chargeable hybrid electric vehicles with an average usage profile and daily charging of the battery.

<sup>2</sup> The values were determined according to the more realistic test procedure WLTP (Worldwide harmonised Light vehicles Test Procedure), which replaces the test procedure with reference to the NEDC (New European Driving Cycle). All stated values are not part of the offer and may vary depending on driving style, loading, equipment, selected options and tyres.

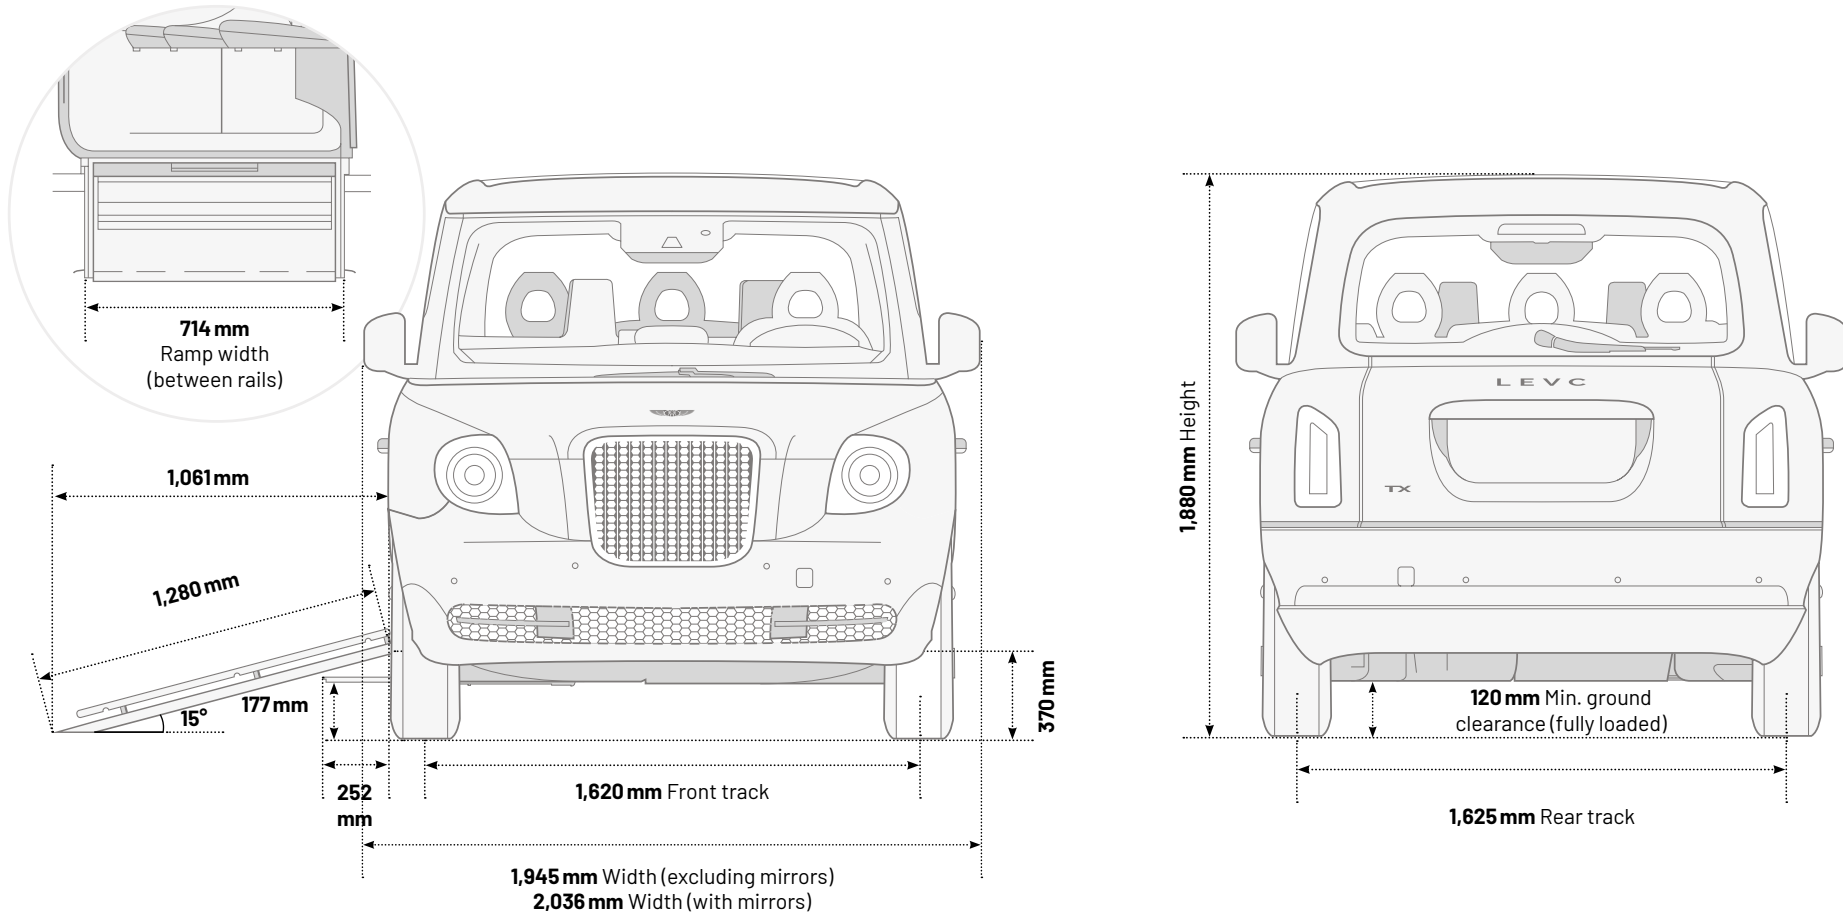

<sup>3</sup> Vehicle weight varies by specification and options fitted. Kerb weight plus driver at 75 kg, values shown based on standard specification. Determined in accordance with Regulation (EU) 1230/2012 in the currently applicable version, including fuel tank filled up to 90 % of capacity.

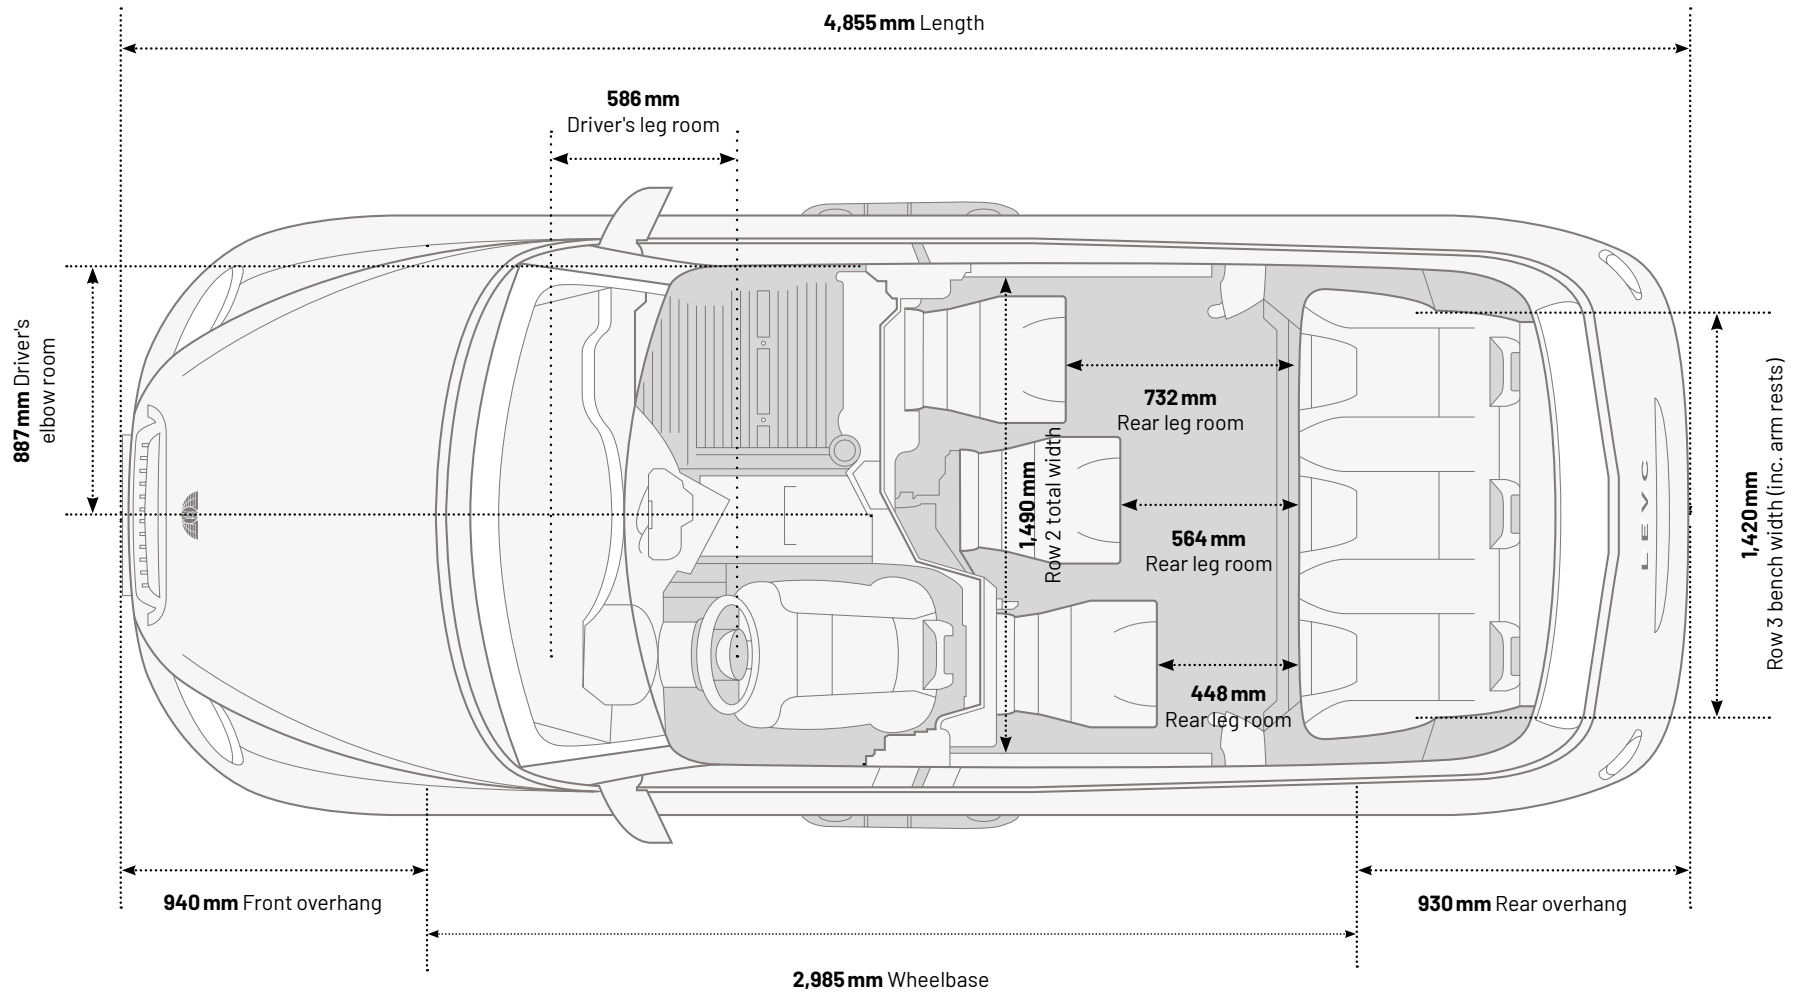

<sup>4</sup> The payload includes the weight of the driver and passengers, luggage and all accessories.

<sup>5</sup> The maximum permissible weight of the vehicle; including driver, passengers, luggage and accessories.
